

## Our Mission

To create value and have fun at the same time.

To provide quality products at a competitive price.

To provide real solutions to every customer.

To provide a family-oriented work environment with comprehensive benefits to every employee.

To carry on the family legacy of value with honor and integrity.

## Our Company Philosophy

## Our Core Values

**RESPECT:** Creating an environment that encourages passion, determination, and regard for one another's input and contributions.

**INTEGRITY:** Demonstrating the utmost values in all we do to impart trust with our employees, customers, and community.

**GROWTH:** Providing an environment that encourages each person to reach their fullest potential.

**ACCOUNTABILITY:** Striving for extraordinary results, while remaining accountable to the highest standards.

**TEAMWORK:** Working for the good of the company, as each person plays an important role in reaching the common goal.

**RESPONSIBILITY:** A commitment to sustainability while operating in an environmentally friendly manner.

**EXCELLENCE:** We do our best to become the best.

## Our Vision

To be the customer's complete solution in branding and product identification, friendlier and faster than the competition. To create a culture of continuous improvement, employee empowerment, and waste minimization.

To do more with less.

## Our Quality Policy

NPI is committed to providing printed identification products that meet or exceed our customers' quality expectations through continual improvements and compliance to standards.
